They will have 6 months of academic courses in HTMi. They will also be eligible for a 6 months internship. On successful completion they will be awarded - BSc, Bachelor of Science (Hons) in International Hospitality Management (Ulster University, UK).

# WELCOME TO MUNNAR CATERING COLLEGE RAS AL KHAIMAH, UAE

Munnar Catering College (MCC), the largest Hospitality Education Institute of its kind in India has realized the lack of professional institutions in UAE and nearby countries, conducting face to face full time courses in Tourism, Hotel and Hospitality Management. With tremendous opportunities for qualified professionals in this field, MCC has identified Ras Al Khaimah in UAE as an ideal location to establish a Centre of Excellence in Hospitality Education and Training, offering courses in Tourism, Hospitality and Management Studies. MCC campus at Ras Al Khaimah was established by Royal Group of Companies, Kerala, India thus spreading its wings beyond the boundaries of the Indian Sub-Continent.

## OUR STORY

Munnar Catering College is a Hospitality Education Institute set up with the purpose of imparting education and maintaining and operating allied facilities for the promotion of hospitality, tourism, art, culture, social activities etc.

The college is promoted by Royal Group of Companies - a multi-faceted conglomerate based in Kerala, India with over three decades of experience in Hospitality and allied industries. The group is engaged in Education, Aviation, Shipping, Advertising, Plantation, Hotels, Resorts and Travel & Tourism.

The Education division of the group has evolved from offering multiple programs including Engineering and Pharmaceutical Science courses to today, being a specialist in Hospitality, Hotel Management and Tourism education and operates under the brand name – Munnar Catering College.

# HOSPITALITY, TRAVEL & TOURISM INDUSTRY

## THE WORLD

As one of the world’s largest economic sectors, Travel and Tourism creates jobs, drives export and generates prosperity across the world. Companies, large and small, industries ranging from accommodation and transportation to food & beverage, retail, culture and sports & recreation, all strive to create products and services that bring people together, support communities and celebrate the wonders that our world can offer.

In its annual analysis quantifying the global economic and employment impact of Travel & Tourism in 185 countries and 25 regions, the World Travel & Tourism Council’s (WTTC) research reveals that the sector accounted for 10.4% of global GDP and 319 million jobs, or 10% of total employment in 2018.

## INDIA

The Hospitality, Travel & Tourism sector has always been an integral part of India’s economy. In a 2018 report by the World Travel and Tourism Council (WTTC) - India was ranked 3rd in the world tourism sector after the US and China.

This sector is the 3rd largest Foreign Exchange Earner for the country and its direct contribution to GDP which is just spending on accommodation, transportation, attractions and entertainment alone, was US \$ 98 billion in 2018. 81.1 million people were employed in the tourism sector in India in 2017-18, which was 12.38% of total employment in the country.

## UAE

The United Arab Emirates has already established itself as the main tourist destination in the Gulf Cooperation Council region. Though a major oil producing country, the Emirati government has a clear vision to diversify its economy and balance its dependency on different sectors. The tourism industry has established itself as a major amplifier of economic divergence and has been projected to contribute about 312.4 billion United Arab Emirati dirham to the UAE’s GDP by 2027.

The group operates three campuses in Kerala – in Munnar, Cochin and in the capital city, Thiruvananthapuram.

The flagship International Campus of Munnar Catering College is located 6500 ft. above sea level in Thachankary Hills, Sooryanelli, Munnar, Kerala. The facilities of the College include helipad, swimming pool, jacuzzi, sauna, steam bath, gymnasium, indoor stadium, cricket pitch, amphitheatre, convention centre, modern hostels etc.

## MUNNAR CATERING COLLEGE IN RAS AL KHAIMAH

Kerala and the UAE have a relationship dating back to the 1960's and the 'Gulf Boom' - the mass migration of a large number of people from the Indian state of Kerala to the GCC states. Allies for over 5 decades, the UAE has always been the Land of Opportunity for Keralites.

### CAMPUS

The new campus of Munnar Catering College in Ras Al Khaimah is located in the RAKEZ Academic Zone in Al Dhait South. The vision for the campus is to simulate the atmosphere in a hotel so that students practice and learn in a real world environment.

### FACILITIES

The campus has 5 classrooms, an open Library + Community space, modern Labs for the various departments in a hotel – Housekeeping Lab, Food & Beverage Service Lab, a state of the art Food Production Lab, a Pantry, separate Toilets for males and females, ample Parking Space and an open ground to play Badminton, Basketball etc..

### INTERNSHIP & JOB PLACEMENT

We have partnerships with 20+ hotel chains across all Emirates of the UAE for internship and job opportunities for our graduates. Our students also get ODC (Out Door Catering) opportunities with hotels during week-ends, festivals, holidays and MICE events.

### STUDENT VISA

Students who join MCC RAK can be provided with Student Visas. All Visa expenditure will have to be paid in actuals as per the norms of the College and Immigration Authority from time to time.

### ACCOMMODATION

Accommodation can be provided for males and females separately. Transportation from the accommodation to the campus and back can also be provided.

# SQA - COGC @ MCC RAK

Renowned for its unwavering commitment to academic rigor and inclusivity **Munnar catering College (MCC)** has been consistently been at the forefront of shaping hospitality and hotel management professionals and fostering their intellectual growth.

In fact **MCC** constantly adapts to the changing educational landscape and evolving industrial needs. This flexibility ensures that the courses we offer remain relevant and valuable for the industry and the employers. It is in recognition of this Adaptability, Academic

excellence, Alumni success, Faculty quality, Accreditations, Ethical and inclusive practices MCC in India and UAE are approved by the world renowned **Scottish National Awarding and Accreditation Agency (SQA)** as an alternative assessment center of The **City of Glasgow College, UK** for offering their designated program in Hospitality Management and Business. Being alternative assessment center, **Munnar Catering College** (India and UAE) is thus eligible to conduct the programs and examinations on behalf of The City of Glasgow College, UK.

## THE CITY OF GLASGOW COLLEGE (COGC)

is a higher education college in the city of Glasgow, UK. It was founded in 2010 when the Central College, Glasgow Metropolitan College, and the Glasgow College of Nautical Studies merged. It is the largest technical and professional skills college in Scotland offering outstanding resources and opportunities for students to gain essential skills for their future careers.

## THE SCOTTISH QUALIFICATIONS AUTHORITY (SQA)

SQA plays a crucial role in the Scottish education system and beyond. It is the national accreditation and awarding body in Scotland, responsible for developing and accrediting qualifications, assessments, and certifications.

SQA qualifications are widely recognized, not only within Scotland but also internationally. This recognition enhances the mobility of students, making it easier for them to pursue further education or employment opportunities anywhere in the world.

Employers all over the world often recognize and value SQA qualifications. These certifications demonstrate that individuals have acquired the necessary knowledge and skills to perform well in their chosen fields, enhancing their employability.

SQA collaborates with educational institutions like MCC to develop qualifications and assessments that align with the needs of students, employers, and the economy. This process helps ensure that education remains relevant and prepares students for the demands of the modern world.
